

OFFICER SHOTS AT FLEEING MAN

Movie Fans Returning From Picture Houses See Thrilling Screen Scenes Emulated.

WINDOW BREAKS WITH A CRASH

Bullet From Revolver of Patrolman Smith Strikes Carb and Deflects, Penetrating Plate Glass.

Thrills they had seen on the screen in local movie houses were emulated before dozens of theatergoers returning home last night when they saw a patrolman draw his revolver from his pocket and fire at a fugitive. No sooner had the revolver exploded its cartridge than there was heard a loud crash, the bullet having struck a stone curb and glanced into the window of the Tri-City Auto Supply company, 319-321 Nineteenth street.

Patrolman Smith, recently placed on the force, did the shooting. Fred Miller of Davenport was the pursued. He was arrested, but as there was nothing upon him to hold him he was released today.

Smith and Motorcycle Officer Clayton had been called to First avenue and Twentieth street about 9:20 o'clock in response to summons from a patrolman on the beat. They were returning to the station on Third avenue and had a prisoner in their custody.

Miller was walking south on the west side of Nineteenth street near the Sala apartments. From his actions Smith claimed Miller looked suspicious and he determined to investigate. When he called to Miller, the latter turned around. Seeing the officer, he started running. Smith pulled his gun and fired.

Number on Street.

The bullet struck the stone curb on the east side of the street. It deflected and struck the auto supply company window, breaking the pane. There were many people on the street at the time, but fortunately none happened to be very near the scene of the shooting. After the bullet report and crash of the glass were heard residents of the apartments raised their windows to investigate the trouble. Numerous calls were received at the police station of a fight on the street.

Smith was successful in arresting Miller, the report of the revolver having struck fear into the Davenport's heart. He was able to give a satisfactory explanation to the police.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidney or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.
